Jordan Mathis, Director
Tri-County Health Department
133 South 500 East
Vernal, UT 84078

Dear Mr. Mathis:

With this letter, I am forwarding the proposed one-year contract and work plan for FY16. The total funding allotment Tri-County Health Department for FY16 is \$91,387. This represents:

- Increased Drinking Water funding from \$17,050 to \$18,583. The funding is based on the total amount available for local health activities and is divided amongst the Local Health Departments, based on the number and type of sanitary surveys performed.
- Funding for Radon activities. Tri-County's share of the available funds is \$1,000.
- All other funding remains the same.

Funding and adjustments become effective July 1, 2015. As in years past, the funds will be disbursed in quarterly installments beginning on August 1. Annual reports on current fiscal year work are due by August 31, 2015. The reporting form will be sent out in late July.

Please review these documents and, if you are in agreement, sign and return them. The contract this year includes a provision for electronic signatures (see Attachment C), if you prefer.

If you have concerns, let Renette Anderson know and she will work with you to resolve them. Thank you for your continued partnership efforts.

Sincerely,

Brad T Johnson,
Deputy Director
