

# TAKE THE WATER OP CERT TEST

*Online!*

The Water Operator Certification exam is now available online! No need to wait for the state testing dates, simply apply to take the exam, arrange the details with Rural Water and take the test whenever you're ready, wherever you are!

## DETAILS:

- You must apply for the exam through the Rural Water Association of Utah
- Rural Water will arrange an exam date, time, location and proctor with you
- *The test CANNOT be taken without a proctor present*

- The test **MUST** be paid for via credit card at the time it is taken
- All levels of certification in Treatment & Distribution are available
- Test results will be available immediately
- If you fail the test you can retake it after 30 days
- The test can be taken no more than 5 times total in a 12 month period (*either by paper or online*)

*Contact Vern Steel with Rural Water  
(801-756-5123) with questions or  
to schedule an exam*
