

UTAH WASTEWATER OPERATOR CERTIFICATION COUNCIL

**CERTIFICATE BY RECIPROCITY  
APPLICATION INFORMATION**

**RECIPROCITY CRITERIA**

1. Must hold a valid wastewater operator license or certificate from another state/province.
2. Application may be for a comparable type and grade certification as the current certificate/license, but not for a higher grade.
3. Must be employed in Utah and provide proof of such employment at time of application; otherwise, a letter of intent to issue a certificate will be provided which may be submitted to the certification council along with proof of employment.
4. **\$50.00** processing fee must accompany application.
5. Include a copy of current valid certificate and proof of any education, CEUs, training, etc. you wish to have considered towards a reciprocity certificate.
6. Complete the application in its entirety specifying “Reciprocity” in Section B of the new form (or at the top of the old form); incomplete applications will be returned. Be specific and detailed in the information you provide. Restricted/unrestricted status and other decisions concerning your certification are based upon your responses.
7. Complete the Citizen/Alien Identification Certification form, have it *notarized*, along with a copy of your valid photo ID.
8. Submit the signed completed application form, Citizen/Alien Identification Certification form with copy of photo ID, and reciprocity fee (check made payable to the Division of Water Quality).
