

How to Receive CEUs

You can receive CEUs for watching the marked screencasts on the DDW Training Screencasts Web page and passing a short quiz. The Rural Water Association of Utah has made this possible.

Instructions:

1. Open the Rural Water Association of Utah's Web page, www.rwau.net.
2. Go to Training/Exams at the top of the web page.
3. Select Exams & Quizzes.

4. Create or use an existing account on Test.com.
5. Click Take a Test. 
6. Choose a quiz. 

Name	Type	Description	Price
Disinfection With Video .10 CEUs	Test	After viewing the Disinfection Part 1 & 2 Videos, a score of 80% or higher will earn you .10 CEUs. Please make sure your water system name and your certification number are listed in your account information to make sure you credited with the correct CEUs. If you are taking the quizzes for CEU's you can only get credit once per renewal cycle.	No Charge
Monitoring Basics With Video .05 CEUs	Test	After viewing the Monitoring Basics screencast, a score of 80% or higher will earn you .05 CEUs. Please make sure your water system name and your certification number are listed in your account information to make sure you credited with the correct CEUs. If you are taking the quizzes for CEU's you can only get credit once per renewal cycle.	No Charge

7. Click Start this Test. [Start this Test](#)

You will see your results after completing the quiz.
