APPLICATION INSTRUCTIONS

1. When filling out the application form, print or type the requested information clearly and legibly. Provide all personal information requested. Provide a copy of personal photo identification, such as a drivers' license, State or country identification card or immigration identification.
2. Provide both initial and refresher trainer information.

Send a **copy** of your training certificates, for the discipline(s) for which you are applying. The training provider must be AHERA accredited/EPA approved. If this is the first time applying for the certification in Utah, submit copies of certificates for your initial and current refresher training. If this is a renewal certification, submit only your current refresher training certificate.

3. Check whether you are applying for initial or renewal certification. Indicate disciplines for which you are applying. **The annual certification fee is \$125.00** for each discipline, made payable to the Division of Air Quality. **Each of your State asbestos discipline certifications will expire one year after you completed your most recent training course for that discipline.** Provide your card (ASB-) number for renewals. **An additional \$30.00 processing fee per discipline will be charged for all certification(s) if the training provider is not a Utah approved training provider.**
4. Submit your signed and completed application form and supporting documents to the Division. If the application is incomplete, it will not be processed. You will receive a reject letter stating the deficiencies with your application.
5. Submit a 2 by 2-inch photograph with your name printed on the back. Photos must be a front view of the person, **head and shoulder passport quality photograph** (no hats or dark glasses) with an actual facial image from the top of the head to the bottom of the chin. If you are sending electronic photos, they must be at least 300 x 300 pixels for the required area. Photos must be printed on glossy paper with a white or light colored background. **Note:** Snapshots, most vending machine prints, Polaroids **may not** be accepted. Photos that have the person either too close or too far away, and printouts of electronic photos will not be accepted.
6. Utah Law requires anyone applying for certification to have proof of citizenship or legal residency. This is a one-time only submission if you are a U.S. citizen. The citizenship form must be notarized and a photo ID submitted. This form is available on the DAQ website at: <http://www.deq.utah.gov/forms/air/asbestosforms.htm> The DAQ requires this to be an original form, no faxes, no email copies.
7. Send application form and supporting documents to:
