Comment: Rich Mickelson - Provo City - I have been looking over the IR report, as a new hire I have not been involved in this process for the state of Utah, the report we have written public comment until Aug 9, from my position and point of view I would like to request it be extended by 30 days, it stands about 3.5 inches high when printed out and I would like a little more time to go over it. thank you

Let me know if you need anything else, I do have the sign in sheets if you need them, if not I will put them in recycle so please let me know.

Thanks
 Jen
