

## **CROSS CONNECTION CONTROL COMMISSION REPLACEMENT**

The Cross Connection Control Commission currently has seven (7) members. Three (3) of the members need to be replaced this year and four (4) members are recommended to remain on the Commission: Each Commission member is appointed to a two-year term.

Will Nickell has been designated to replace Dan B. Smith as representative for the Utah Career Center (formerly Utah Pipe Trades Educational Program).

Brett Christiansen has been designated to replace Gary Jenkins as representative for the Utah Mechanical Contractors Association.

Robert L. Prince has been designated to replace Brian Pattee as representative for the Utah Chapter of the American Backflow Prevention Association.

A Current Commission Roster and the Proposed Commission Roster is attached.

### Staff Recommendations:

The Commission recommends that the Director approve the appointment of Will Nickell, Brett Christiansen and Robert L. Prince to serve on the Cross Connection Control Commission for the term ending in 2017.

The Commission recommends that the Director approve the re-appointment of Terry K. Smith, John Paul (JP) Franck, Bart Simons and Tim Collings to serve on the Cross Connection Control Commission for the term ending in 2017.
