

WASTE MANAGEMENT AND RADIATION CONTROL BOARD
 Executive Summary
 Mammography Imaging Medical Physicists
 August 15, 2016

What is the issue before the Board?	Approval of a new Mammography Imaging Medical Physicist
What is the historical background or context for this issue?	Individuals referred to as Mammography Imaging Medical Physicists (MIMP) submit an application for review of qualifications to be certified by the Board annually. The physicists perform radiation surveys and evaluate the quality control programs of the facilities in Utah providing mammography examinations. A new application has been received from Joel Rogers, M.S. to be certified as a MIMP. Division staff reviewed the applicant's qualifications. Mr. Rogers meets the requirements detailed in R313-28-140.
What is the governing statutory or regulatory citation?	Subsection 19-3-103.5(2)(f) of the Utah Code Annotated provides authority for the Board to review the qualifications of, and issue certificates of approval to, individuals who: (i) survey mammography equipment; or (ii) oversee quality assurance practices at mammography facilities.
Is Board action required?	Yes.
What is the Division Director's recommendation?	The Director recommends approval of the application.
Where can more information be obtained?	For further information, please contact Lisa Mechem, DVM, at (801) 536-4286.
