

**Addendum to the Signature Page to the ATK Launch Systems Inc., Promontory Facility
Post-Closure Permit**

As of July 21, 2016, the Signature Page to the Post-Closure Permit, issued to the ATK Launch Systems Inc. Promontory Facility on September 20, 2007, is revised to reflect a change in ownership. This Addendum is created in accordance with a Permit Modification submitted to the Division of Waste Management and Radiation Control on July 5, 2016; Division tracking number DSHW-2016-011165.

This Permit is transferred to Orbital ATK, Inc. as the facility owner and ATK Launch Systems Inc. as the facility operator.

The Permit issue date of September 20, 2007 does not change due to the transfer of ownership.
