STATE OF UTAH PLAN APPROVAL

Permittee:

Chevron Products Company, Salt Lake Refinery  
Davis County, Utah  
EPA Identification Number UTD092029768

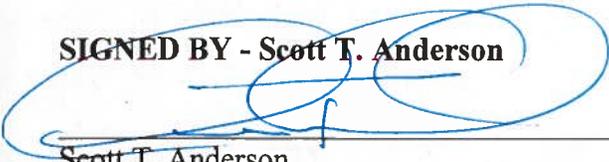

Pursuant to the Utah Solid and Hazardous Waste Act, (the Act), 19-6-101, as amended and the Utah Administrative Code (UAC) (R315-1 through R315-14 of the Utah Admin. Code) as adopted by the Utah Division of Solid and Hazardous Waste (the Board), a plan approval (herein after called "permit") is issued to the Chevron Products Company, Salt Lake Refinery (herein after called the "Permittee"), for post-closure and corrective action at the Chevron Products Company, Salt Lake Refinery, Davis County, Utah, including, but not limited to, the Reservoir Waste Management Area. The U.S. Environmental Protection Agency (U.S. EPA) has authorized the Director to issue such a permit under Section 3006(b) of the Resource Conservation and Recovery Act (RCRA).

The Permittee shall comply with all the terms and conditions of this permit and in the Attachments 1 through 9. The Permittee must comply with all applicable State regulations including R315-1 through R315-14, R315-50, R315-101, and R315-102 of the Utah Admin. Code. Applicable rules are those which are in effect on the date of issuance of this permit, also including rules in effect that relate to portions of the permit that are modified on June 3, 2014.

This permit is based upon the administrative record, as required by R315-3-24(d) of the Utah Admin. Code. The Permittee's failure in the application or during the permit issuance process to disclose fully all relevant facts, or the Permittee's misrepresentation of any relevant facts at any time, shall be grounds for the termination or modification of this permit, the initiation of an enforcement action, including criminal proceedings, or any combination of these remedies. The Permittee must inform the Director for the Utah Division of Solid and Hazardous Waste (Director) of any deviation from the permit conditions or changes in the information on which the application is based which would affect the Permittee's ability to comply, or actual compliance with the applicable regulations or permit conditions or which alters any condition of this permit in any way. The Director shall enforce all conditions of this permit which are designated in this permit as State requirements. Any challenges of any permit condition that concern State requirements shall be appealed to the Utah Division of Solid and Hazardous Waste in accordance with the Utah Code Annotated.

This permit is effective on August 31, 2007 and shall remain in effect for ten (10) years from this date, unless revoked and reissued, pursuant to R315-3-15 or terminated, pursuant to R315-3-16 or continued in accordance with R315-11(d) of the Utah Admin. Code.
