

**NOTICE OF PUBLIC COMMENT
DUNN FIVE MILE PASS CLASS VI LANDFILL**

The Director of the Division Waste Management and Radiation Control is seeking public comment on a modification to the Dunn Construction Five Mile Pass Class VI Landfill Permit. This modification allows the facility to move the landfilling operation into the Phase II waste cell north of the present Phase I waste cell at the Class VI landfill. The landfill is located on 84 acres just north of Highway 73 on Five Mile Pass in Tooele County near the border of Utah and Tooele Counties. The wastes permitted for disposal include construction and demolition waste, concrete, bricks and other masonry materials, soil and rock, waste asphalt, concrete containing rebar, untreated wood and tree stumps.

The permit modification request has been reviewed and determined to be complete and compliant with the Utah Solid Waste Permitting and Management Rules. A draft permit modification has been prepared. The public comment period for the draft permit modification begins on October 6, 2015 and ends November 6, 2015.

The draft permit modification can be reviewed at the following locations:

Division of Waste Management and Radiation Control
Multi Agency State Office Building
195 North 1950 West, 2nd Floor
Salt Lake City, Utah

Tooele County Health Department
151 North Main Street
Tooele, Utah 84074

For the public's convenience, an unofficial copy of the draft permit modification is available on the Internet at <http://www.deq.utah.gov/NewsNotices/notices/waste/index.htm#phacp>

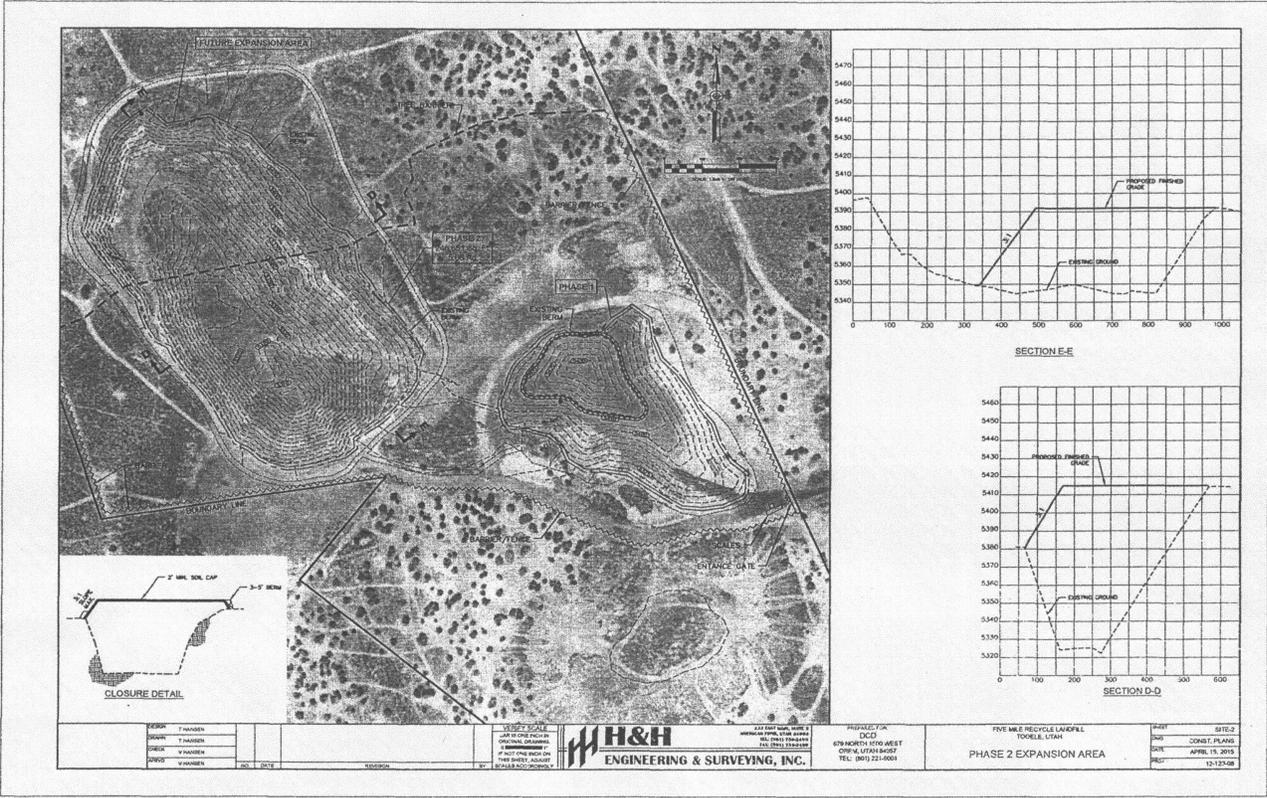

Written comments will be accepted if received by 5:00 p.m. on November 6, 2015 and should be submitted to the address below. Comments can also be hand delivered to the Division address above and must be received by 5:00 p.m. on November 6, 2015.

Scott T. Anderson, Director
Division of Waste Management and Radiation Control
Department of Environmental Quality
P.O. Box 144880
Salt Lake City, UT 84114-4880

Comments can also be sent by electronic mail to: swpublic@utah.gov. Comments sent in electronic format should be identified by putting the following in the subject line: public comment on the Dunn Five Mile Pass Class VI Landfill. All documents included with comments should be submitted as ASCII (text) files or in pdf format.

Under Utah Code Section 19-1-301.5, a person who wishes to challenge a Permit Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the Director to fully consider the substance and significance of the issue.

For further information, please call Rob Powers of the Division Waste Management and Radiation Control at (801) 536-0255. In compliance with the Americans with Disabilities Act, individuals with special needs (including auxiliary communicative aids and services) should contact Dana Powers, Office of Human Resources at (801) 499-2117 TDD (801) 903-3978 or by email at dpowers@utah.gov.
