Dear Ms. Tischler:

**SUBJECT:** January 21, 2011 DUSA Letter, which Transmits a Revised Cell 4A and 4B BAT O&M Plan (BAT O&M Plan); January 21, 2011 DRC Comment Letter, Requesting Information on the BAT O&M Plan; **Plan Approval**

We have reviewed the subject letter from DUSA dated January 21, 2011, which is a response to the subject DRC comment letter of same date. As noted above, the subject DUSA letter transmits the *Cell 4A and Cell 4B BAT Monitoring, Operations and Maintenance Plan, 01/21/2011 Revision Denison 2.2*.

After review of this plan, we have no further comments. Therefore the Cell 4A and 4B BAT O&M Plan, as titled immediately above, is approved, **contingent** upon DUSA receiving written DRC authorization to use Cell 4B. If you have any questions on the above, please contact Mr. Rupp of my staff.
