Subject: October 1, 2008, Inspection of the Garfield County Dead Animal Landfill

Dear Mr. Bremner:

On October 1, 2008, Rob Powers, staff member of the Solid Waste Section, conducted an announced inspection of the Garfield Dead Animal Landfill. The purpose of the inspection was to determine compliance with the *Utah Solid Waste Permitting and Management Rules* and the landfill permit. Enclosed is a copy of the photographs taken during the inspection. The facility was found to be in good shape and no violations were noted.

- However, the existing permit is out of date and needs to be re-permitted. Please address this issue within 30-days of the receipt of this letter.

The Division has a long history of a good working relationship with Garfield County and is looking forward to continuing that relationship. If you have any questions, please feel free to contact Rob Powers at 801-538-6170 or by e-mail at rdpowers@utah.gov.

Sincerely,
