I SUPPORT KENNECOTT

I am in favor of the Utah Division of Air Quality issuing a timely permit and the Utah Air Quality Board approving a rule making (R307-110-17) to authorize a production increase at the Bingham Canyon Mine. I understand this project is out for public comment because Kennecott has fulfilled all regulatory requirements. The Cornerstone Project will make an important contribution to the community and I support timely regulatory approval.

I support the Cornerstone Project because:

For over 30 years I have watched KUC work hard to serve adjacent communities and make tremendous effort to achieve minimal negative environmental impacts. KUC has now constantly expanded this effort.
