1. The **DIRECTOR** has authority to administer the *Utah Water Quality Act, as amended 1953*, (hereinafter the "**ACT**").
2. The **DIRECTOR** has been delegated authority by the U.S. Environmental Protection Agency (EPA) to administer the *National Pollutant Discharge Elimination System (NPDES)* permit program under the *Federal Clean Water Act (CWA)*.
3. The parties now desire to resolve this matter fully without further administrative proceedings except to the extent provided herein by entering into this **AGREEMENT**. Entering into this **AGREEMENT** is not an admission of liability or factual allegation set out in the **NOTICE**, nor is it an admission of or an agreement to any disputed facts or disputed legal theories, nor is it an admission of any violation of any law, rule, regulation or permit by the **OPERATOR**.
4. The **DIRECTOR** will administer the terms and provisions of this **AGREEMENT**.
5. This **AGREEMENT** resolves the **NOTICE OF VIOLATION** and **ORDER**, Docket Number M15-05 (hereinafter the "**NOTICE**"), between the **OPERATOR** and the **DIRECTOR**, issued to the **OPERATOR** in October 2015, by the **DIRECTOR**. It does not in any way relieve the **OPERATOR** from any other obligation imposed under the Act or any other State or Federal laws.
6. In resolution of said **NOTICE** in Paragraph 5 of this **AGREEMENT**;
 - A. The **OPERATOR** agrees to pay a penalty in the amount of \$100.00 within thirty (30) days of the effective date of this **AGREEMENT** by check made payable to the State of Utah delivered or mailed to:

Department of Environmental Quality
Division of Water Quality
P. O. Box 144870

- B. The **OPERATOR** further agrees to fund a mitigation project, in the amount of \$1,900. The mitigation project funds must be utilized by no later than one year from the effective date of this **AGREEMENT**.

The **OPERATOR** must submit within ninety (90) days of the effective date of this **AGREEMENT** for **DIRECTOR** approval, a project implementation plan for each project that includes a detailed description of the mitigation project, a cost breakdown showing how the funds will be used, and a plan for implementation of the project, which shall include a time frame for implementation and completion of the project and submission of final document(s) indicating completion of the project. The implementation plan should also include a funding schedule which specifies who receives the mitigation funds and when.

The **OPERATOR** participation in the mitigation project(s) must fully adhere to *UAC R317-1-8*. The **OPERATOR** agrees not to attempt to gain or generate any positive publicity, and further agrees not to deduct or otherwise attempt to obtain a tax benefit from the foregoing funding of the mitigation projects.

- C. If the **OPERATOR** fails to fund the mitigation project(s) or fails to submit the outline(s) as described in Paragraph 6.B. above, or if the mitigation project(s) will not utilize the full funds allotted, the **OPERATOR** shall remit the remaining unspent funds as per the method and address in Paragraph 6.A. within thirty (30) days of demand to do so by the **DIRECTOR**.
- D. The **OPERATOR** must submit all documentation to the **DIRECTOR** including receipts, once the funds have been spent for the approved mitigation project(s). This information must include who was paid, what the payment was for, and the dates of when the payment was made.
- E. The **OPERATOR** may be required to submit updates, based on the approved project(s). Updates must be submitted every 3 months. The updates must include how the project is progressing and any known setbacks that may impact the money being spent within a year.
7. Nothing contained in this **AGREEMENT** shall preclude the **DIRECTOR** from taking additional actions against the **OPERATOR** for permit violations not resolved by this **AGREEMENT**.
8. If an agreement between the **OPERATOR** and the **DIRECTOR** cannot be reached in a dispute arising under any provision of this **AGREEMENT**, then the **OPERATOR** or the **DIRECTOR** may commence a proceeding with the **BOARD** under the *Administrative Procedures Act* to resolve the dispute. A final decision in any adjudicative proceeding shall be subject to judicial review under applicable state law.

9. Nothing in this **AGREEMENT** shall constitute a waiver by the **OPERATOR** to raise in defense any legal or factual contention for future allegations of noncompliance.

10. Nothing in this **AGREEMENT** shall constitute or be considered as a release from any claims, to include natural resource damage claims, cause of action, or demand in law or equity which the **STATE** may have against the **OPERATOR**, or any other person, firm, partnership or corporation for any liability arising out of or relating in any way to the release of pollutants to waters of the State.
