NOTICE OF COMMENT PERIOD EXTENSION

The Division of Air Quality is extending the public comment period until June 7, 2012 for an Intent to Approve (ITA), draft Approval Order DAQE-IN125290003-12 for Sevier Power Company. This extension is in response to a new law, Utah Code Ann. §19-1-301.5, which changes the adjudicative proceedings for permits, and becomes effective on May 8, 2012.

Under Section 19-1-301.5 a person who wishes to challenge an Approval Order may only raise an issue or argument during an adjudicatory proceeding that was raised during the public comment period and was supported with sufficient information or documentation to enable the director to fully consider the substance and significance of the issue.

The draft Approval Order is for Sevier Power Company's proposal to construct and operate a 580 MW Natural Gas-Fired Turbine Power Plant. The project includes two natural gas-fired turbines, heat recovery steam generators, auxiliary boiler, and associated equipment. Sevier Power Company must comply with detailed requirements, limitations and conditions outlined in the draft Approval Order. A complete copy of this order is available at the Division of Air Quality, Utah Department of Environmental Quality.

Please submit comments to: Utah Division of Air Quality
ATTN: Bryce Bird, Director
195 North 1950 West
Salt Lake City, Utah 84116

All comments received at any time during the comment period, which began April 11, 2012, will be considered before the Director makes a final decision on the Approval Order.

Date of Notice: April 20, 2012
