

MODULE III – POST CLOSURE USE AND CARE OF PROPERTY

III.A. INSPECTIONS

III.A.1. Inspections will be conducted during the post closure care period in compliance with the procedures specified in Condition II.D. at the frequency specified in Attachment 1. All records of inspections and remedial actions shall be retained in the Operating Record, as indicated in condition I.G.13.d. throughout the post closure care period. Any deterioration or malfunction discovered by an inspection will be remedied in compliance with Utah Admin. Code R315-8-2.6(c).

III.B. AMENDMENT OF PLAN

III.B.1. The Permittee shall amend the post closure plan in accordance with Utah Admin. Code R315-8-7 whenever necessary or when required to do so by the Director.
