

**MODULE VIII - GROUNDWATER CORRECTIVE ACTION
(CONTINGENCY OPERATIONS)**

VIII.A. CORRECTIVE ACTION PROGRAM

VIII.A.1. The Permittee shall maintain the ongoing corrective action program. The purpose of this program shall be to remove hazardous constituents from the groundwater and to monitor the migration of the hazardous constituents as outlined in Module V. The corrective action program shall follow the plan specified below:

VIII.A.1.a. The Permittee shall maintain and operate a corrective action system. The system shall be operated in accordance with the Corrective Measures Study (Parsons 2013) and Corrective Measures Implementation Plan (Parsons 2014) and in accordance with Module VII of this permit except that, for contingency purposes, other elements of the corrective action system will be implemented.
